Re: Noise Mitigation Walls
Agreement JPA 96-12 ¹
TRACS No. H 0797 0⁷C
Project No. AZM-600-0-505
Amendment No. 1

Dear Mr. Anderson:

On 15 May 1996, the State and the City executed the above referenced intergovernmental agreement (enclosed) relating to the Noise Mitigation Walls on SR 101L between 75th and 31st Avenues. This agreement is still in effect and filed with the Arizona Secretary of State as Agreement No. 20694.

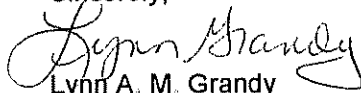

Conditions have changed with the request by the City to heighten portions of the existing noise wall. We may use this instrument to reflect those changed conditions. The requested work will be accomplished during the State and the City Landscaping project, TRACS No.: H 0797 07C, to be bid in May 1997.

Therefore, paragraph 1.e. on page 2 is changed to read: Upon completion and acceptance, provide all maintenance to the Project. Paragraph 1.f. on page 2 is added to read: Upon completion of the Project, invoice the City for the actual cost to heighten portions of the existing noise wall, requested by the City. Paragraph 2.d. on page 2 is added to read: Be responsible for the additional cost to heighten portions of the existing noise wall requested by the City. All other provisions are as written in the original agreement executed 15 May 1996.

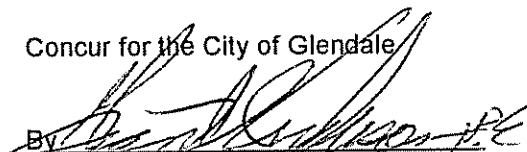

To properly memorialize this amendment, and to insure a meeting of the minds, please indicate your concurrence of this amendment in the space provided below and return one original of this instrument to the undersigned at the above address to the attention of Mail Drop 616E.

Questions may be directed to the undersigned at (602) 255-8088 or Ron McCally, Valley Project Management at 255-7646.

Sincerely,

Lynn A. M. Grandy
Joint Project Coordinator
